

Whiplash Northland Hare and Hound Round 5

Ministry Report:

Zoo World Ministries and RFJ teamed up and had another amazing weekend of fellowship and racing. The Whiplash series race was held in Flagstaff, AZ. The temperature was a perfect 75 degrees and the turn out was great. ZWM and RFJ had our pits set up along side of the Whiplash trailer for easy access to our pre race Bible study and riders meeting prayer done by Steve Shippy and John Rhodes. The race support program paid for about twelve racer entries and we had around twenty people attend the Bible study. Whiplash donated free parts and accessories to some of the riders and showed a lot of love to us by announcing our ministry and sponsorship program all weekend. It was an awesome opportunity for us to be of service to the community, praying for the needs of many that came to our pits. John Rhodes' son, Jacob Rhodes, took a 1st a 4th, and eight of our other riders placed well too. It was a fabulous weekend- Thanks again to all who were involved!
